17 ^{17th Annual} Isaac Pedroza Memorial Golf Classic

The Isaac Pedroza Foundation was initially set up in 2006 to raise money to provide for the college education of Isaac's daughter, Kelsey, who was 11 at the time. The Golf Classic, which is run by Isaac's friends and co-workers at US Airways, was the foundation's first fund raising event. The Foundation's long range plan is to be able to provide financial assistance and scholarships for the children of other US Airways (Now American Airlines) employees, financial help for victims of catastrophic events, and more. Indeed the Foundation has grown and now includes a number of events that bring monies in, with the Isaac Pedroza Memorial Golf Classic being the main funding source of the Foundation. Our goal is to continue looking after the 37 children from 21 of our co-workers who have left us. **The Isaac Pedroza Memorial Foundation is a registered 501 (c)(3).**
